CERTIFICATION OF APPLICATION

Note: The Daviess County Economic Advisory Group (Group) will base your eligibility for financial assistance on information presented in this application including the required documents accompanying it. Funding for the Program is limited; submitting an application and the required documents does not guarantee you will receive any funding. Any material changes in your entity's status could disqualify you from receiving funding from the Group.

Certification: I certify that (a) the application, including all attached documents, contain true, complete and accurate information about the proposed project for which I seek funding and does not contain any information for which any competing entity may claim a proprietary interest; and (b) neither I, nor any of the officers, directors or principals associated with the Applicant are directors or officers, or otherwise have a fiduciary duty toward, an entity that is or may compete with the Applicant for this funding.

Applicant acknowledges that information in the application and other documents may be subject to public disclosure to the extent required by law if Daviess Fiscal Court or the Group receives any request under the Kentucky Open Records Act. Daviess Fiscal Court and the Group shall not disclose any confidential or proprietary information (properly identified or marked) in the application if properly excluded from disclosure under KRS 61.878 as determined by Fiscal Court, the Group, the Kentucky Attorney General or a court of competent jurisdiction. If Group approves your application, information about employment numbers, average wages, investment, eligible costs, approved costs and other information shall become available for public disclosure.

I acknowledge and permit the Group to share any information contained in the application and submitted documents with appropriate federal, state and local agencies to determine the feasibility and potential impact associated with the project for which I seek funding.
